1. Summary

This reports shows that the proposal to federate Gwernymynydd Community Primary School and Ysgol Y Waun, Gwernaffield is overwhelmingly supported by those people who submitted a response to the consultation.

There was a reasonable number of responses, with the majority received from people associated with Gwernymynydd Community Primary School. No alternative suggestions were offered and over half of the comments received showed that people believed federation is the best way to ensure the schools remain in their respective communities.

Children at both schools were also consulted and encouraged to give their views on the proposal. Most of the comments can be viewed as positive, however there were some neutral comments and some negative comments.

2. Introduction

The governing bodies of Gwernymynydd C.P. School and Ysgol Y Waun, Gwernaffield, propose that both schools enter a federation agreement from Thursday 1st February 2018, in accordance with the Federation of Maintained Schools (Wales) Regulations (2014).

A Federation Consultation Document was produced to provide an overview of both schools and to explain why changes have been put forward. The document also outlined the benefits and the challenges of federation as well as the process from exploration to implementation and evolution.

The consultation period opened 23rd May 2017 and closed on 10th July 2017, with events held at each school where Head Teachers, Governors and representatives from the Local Authority were on hand to explain the situation and answer any questions from attendees. Separate consultation sessions were held with children from each school.

Response forms were created to allow children, parents, carers, governors, staff and community members to give their views about the proposals. This document analyses the responses to the consultation received both online and in hard copy form.

3. Consultation Process

Following the publication of the proposal to federate, a statutory 6 week consultation period began with parents / carers and all key stakeholders either receiving a hard copy of the Formal Consultation Document or emailed a link to the document on the Flintshire County Council website.

Although there is not a requirement to do so under the Regulations, consultation meetings were held at each school on the following dates:

- Ysgol Y Waun, Gwernaffield on Tuesday 13th June 2017, 3:15pm - 6.00pm
- Gwernymynydd C.P. School on Wednesday 14th June 2017, 3:15pm - 6.00pm

People were encouraged to complete a response form (see Appendix A) to express their views about the proposal, with hard copies included as part of the Formal Consultation Document and an online version if people wanted to complete it electronically.

The Formal Consultation Document was converted into a child-friendly version to allow each school to consult with representatives of their pupils. Head Teachers ran their own events and had pupils complete specifically designed response form (see Appendix B) to provide their views.

All responses to the consultation can be found in Appendix C and have been summarised in the Findings section below. Children's comments have also been outlined below in section 5.

4. Findings

4.1. Relationship to the Schools

In total 45 people submitted a response during the consultation period, with 33 (73%) identifying themselves as associated with Gwernymynydd CP School and 12 (27%) connected to Ysgol Y Waun, Gwernaffield.

Figure 1 shows a breakdown of how respondents described their relationship to their respective school (it should be noted that three people selected more than one option and therefore both of their responses have been included in Figure 1).

5. Children’s Consultation

Both schools ran a number of sessions with their children to obtain their views on the proposals. Figure 3: Children's Feelings

5.1. Gwernymynydd C.P. School

There were 33 children from Gwernymynydd C.P. School who gave their opinion via the response form. 20 children felt positive about the proposal, highlighting the possibility of making new friends and sharing a head teacher as reasons why. Comments included “*I think sharing a head teacher is a good idea*” and “*I think it would be a good idear because it would be nice to make friends with Ysgol y Waun*”.

10 neutral responses had general comments such as “*I would feel fine*” and “*OK*”, whilst there were only 3 negative comments which included one child being nervous about change and one suggesting pupils at Ysgol Y Waun were mean on a joint school trip.

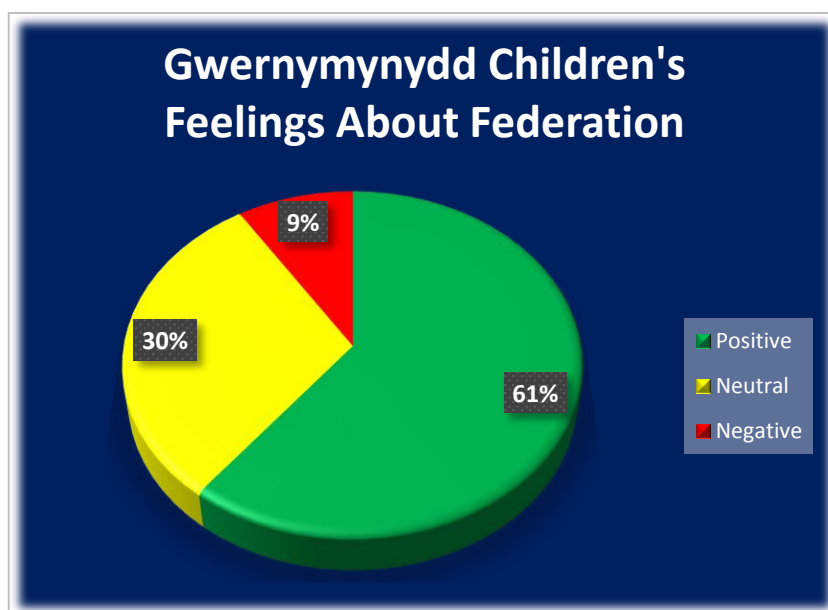

Figure 4: Gwernymynydd Children's Feelings

There were 2 alternatives put forward by children, one stating “us keep are head teacher and not join schools” and the other suggesting to “*fedirate with bryn coch because my football friends our there*”. There were more general comments like “No” and “*I would like Mr Johnson to be head teacher*”.

There was 1 child who chose not to answer the question, whilst 4 felt negatively about the proposal, with comments such as “*I think we are fine how we are as Ysgol Y Waun*” and “*I would fell a lit confused because were fine on our own and I enjoy this way*”.

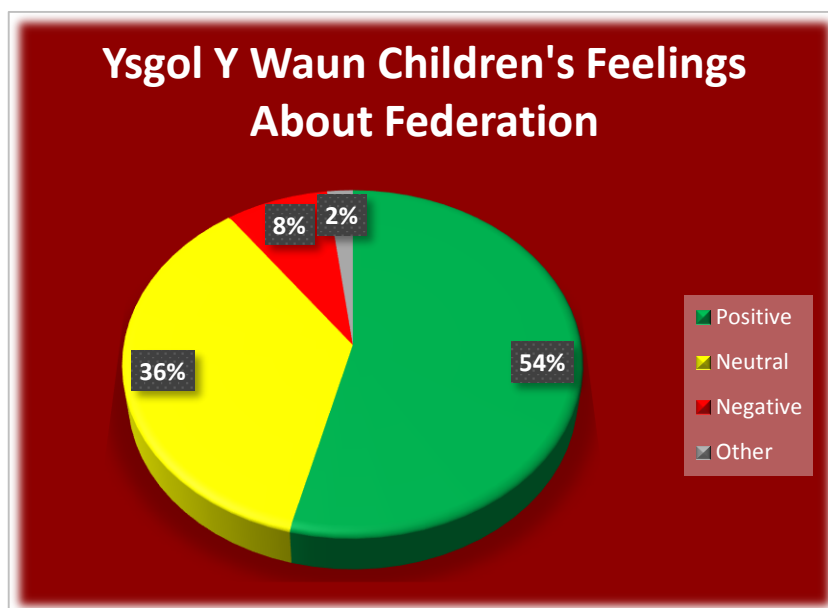

Figure 5: Ysgol Y Waun Children's Feelings

The majority of comments suggesting something else instead of the proposal were “*no*” or “*not really*”, whilst there were general comments like “*Ysgol Y Waun can invest in new equipment*” and “*a bigger sportday*”.

Additional comments made by children either mentioned more school trips together or joint sports teams and activities. Specific examples include “*have a joint sports day*”, “*can we have a joint sports day and trips?*” and “*more school trips please*”.

6. Conclusion

There is clear support from respondents for a formal federation between Gwernymynydd C.P. School and Ysgol Y Waun, Gwernaffield to be established. This option is viewed as the best way of keeping the schools in the local area whilst retaining their own individual identities.

7. Proposal Consideration

Part 2 Regulation 7 of the Federation of Maintained Schools (Wales) Regulations (2014) states that:

- 1) The governing bodies proposing to federate must jointly consider any responses to the proposals and each governing body must determine whether
 - a) to proceed with the proposals for federation as published;
 - b) to proceed with the proposals for federation with such modifications as the governing body considers appropriate; or
 - c) not to proceed with the proposals for federation.
- 2) The modifications referred to in paragraph (1)(b) must not include a change in the identity of the governing bodies proposing to federate.
- 3) All the governing bodies that have determined to proceed must jointly give notice of that fact to the relevant local authority or local authorities

In accordance with the Regulations, the governing bodies of Gwernymynydd C.P. School and Ysgol Y Waun, Gwernaffield will hold a joint meeting to consider this report and make a final decision whether or not to proceed with the proposal.

Flintshire County Council have agreed to provide a neutral venue for the meeting, which will take place between 6:00pm and 7:00pm on Monday 17th July 2017 at County Hall, Mold.

This report is to be circulated to the governing bodies prior to the meeting.

I feel this is an excellent way of safeguarding both schools for years to come. I feel staff and children will benefit, staff by sharing further good practice and co-operating closely with another school. Children by other than seeing new headteacher, very little will change for them. Because of the federation we as a school are gaining a very experienced headteacher who has experience in working alongside our school.

After the commitment & enthusiasm of the current head at Gwernymynydd, it is going to be difficult to get used to having a part time head, however, I see this as the only option we have and if it saves the closure of the school then I am fully supportive.

I think it was a shame that we didn't put out an advert for the headship to see if we got any interest.

Q4: Please let us have your additional comments or views regarding the proposal. Please tell us why you feel this way

I think it is very important for the two schools to stay separate and retain their individuality. The children should like they belong to their school, not a mixture of both.

The proposal seems to be the only way forward for small village schools, I feel we must be mindful of the contribution such schools make to the success of a small community. Without these schools. communities would struggle to function. As a result of this federation, i would like to see an increase in budget to enable these schools to flourish.

Q4: Please let us have your additional comments or views regarding the proposal. Please tell us why you feel this way

- Happy with the proposal after we have had reassurances that both schools are not looking to reorganise the sites in the long term (e.g. Infants on one site and Juniors on the other).
- If the proposal goes ahead, we would be keen for the governors to review the Assistant Head grading at Gwernymynydd, to see if this grade is still appropriate or whether this needs to be at Deputy level, given that this member of staff would have more responsibility when the new Exec HT is not on site. We understand that the parallel post at Gwernaffield is Deputy. Also, to strengthen the retention of key staff!
- We are reassured that both schools appear to support the idea of each school maintaining its own current identity, including such things as uniform. Small changes can unsettle young children, so we like that minimal changes are proposed under this plan.

It will obviously be a great loss to Gwernymynydd CP to be losing Louise as Headteacher, however the next best situation is absolutely Mr Johnson being acting head and federating the school with Ysgol Y Waun. Mr Johnson has outstanding rapport with pupils, parents and staff which I believe sees him as the ideal candidate to oversee the school together with the head of Ysgol Y Waun. With both schools being small, local village schools I think both can only benefit from federating and only gain from each other.

I would like to make the point that I am in a position where i can't decide / undecided whether I agree with the proposal to federate Gwernymynydd CP School and Ysgol Y Waun, Gwernaffield so therefore will be leaving question 1 unticked.

I feel that every Primary school should have a full time Headteacher, however, if to federate is the best option to safeguard Gwernymynydd Primary School for the future then I'm happy for this to go ahead. I as a parent want the best for my children, as I'm sure is the case for all parents, if my children are happy at school then I as a parent will remain happy.
